Circle of **H**Health is a health benefits program created exclusively for Mille Lacs Band members and their eligible descendants.

Circle of Health supplements the primary insurance coverage by paying or reimbursing premiums, co-pays, and deductibles for insurance covered services. One policy per household is allowed.

Eligibility

Mille Lacs Band members with active primary health coverage are eligible to enroll for benefits.

First line descendants are benefit eligible if they are:

- Under the age of 18 and are covered by an insurance policy with an enrolled MLB member
- Or if they are a FT student (age 18-23) who is covered by their MLB member parent's insurance policy.

Reimbursements

Please allow a 2-6 week grace period from the date of submission for all claims. If you haven't received a reimbursement or denial after 6 weeks, contact your claims processor.

**All claims or reimbursement requests will have a time limit of 6 months.

Enrollment

Complete an enrollment form and submit it to the Intake Specialist with the following documentation:

- Copy of active health insurance
- Social Security Numbers
- Proof of tribal enrollment
- Birth certificates for descendent and dependent children on the policy.
- Proof of full-time student status for any first-line descendent age 18-23
- Guardianship or Custody paperwork

****Enrollments must be updated annually!**

Payer of Last Resort

Circle of Health is the **ultimate payer of last resort** for co-pays and deductibles for all services.

All other means of health care insurance or third party payment must be exhausted before Circle of Health will pay.

Medicare

Medicare premiums may be reimbursable, speak with a Benefits Coordinator for more information.

Enrolled MLB Member Employees

Circle of Health will pay premiums for members who are employed by MLB through direct billing. This eliminates any deductions from your paychecks

Appeals

There is an appeals process. If you feel that your claim was not processed correctly, please contact the Director, with your concerns in a timely manner.

MLB Member Exclusive Benefits

- ◆ \$250 eyewear benefit per fiscal year
- ◆ \$1,000 DME benefit per fiscal year
- ◆ \$1,000 hearing aid benefit every ten year
- ◆ \$3,000 total lifetime orthodontia/denture benefit

***The fiscal year is Oct 1st through Sept 30th.*
