

Department: Dental Number: HHS-4125 D

Policy: Coverage of Cosmetic Services

Date: April 2005 Revised: July 2007 Reviewed: 04/09

Approved By: [Signature] Date: 4/16/07

Policy statement:

The Ne-Ia-Shing Dental Clinic will provide services to maintain or restore chewing function including fillings, endodontic treatment, partials, dentures & crown & bridge (to correct or maintain proper occlusion). Services that will not be covered are those that are for cosmetic/esthetic reasons such as veneers, crown & bridge for esthetic purposes, removing functional amalgam (silver fillings) & replacing with composite tooth colored filling & any other services deemed cosmetic by the dentist.
