I. Purpose

The Gaming Regulatory Authority hereby creates this procedure to allow individuals with gaming regulatory concerns the ability to appear before the GRA Board.

II. Policy

The GRA understands that many different people have a legitimate interest in the regulation of gaming. The GRA strives to be as accessible as possible. However, the GRA Board regularly meets only twice a month. Therefore, the GRA hereby creates a mechanism for interested individuals to address gaming regulatory concerns with the GRA Board. This procedure does not apply to disciplinary actions addressed by DETAILED GAMING REGULATION – 19. This procedure does not apply to grievances addressed by GRA Procedure Number 2.0027.

III. Procedure

Individuals seeking to address a gaming regulatory concern before the GRA Board shall submit a request to appear on the GRA Board's next meeting agenda to the GRA Clerk. The request must be submitted at least three (3) days prior to the GRA Board meeting. The request must include the individual's name, date, brief description of the regulatory issue, and the names of any GRA employees the individual would like the GRA Board to invite to the meeting. Any documentation the individual would like the GRA Board to review prior to the meeting must be submitted along with the request to appear on the agenda. The GRA Clerk will immediately forward the request and any documentation to the GRA Board members, and place the individual on the agenda for the next regularly scheduled meeting. The Clerk will also invite any requested GRA employees.
